Become Tomorrow's Leaders

2021 ANNUAL CAMPAIGN

Since 1986, Power of the Pen has helped Ohio 7th- and 8th-grade students find and develop a creative voice uniquely their own, learning crucial life skills in the process.

You can help the next generation of business leaders, employees, innovators and artists unlock their true potential by contributing to Power of the Pen.

Your gift will make a difference. Each year, about 3,000 students participate in tournaments, while mentor texts and supporting materials are provided for nearly 300 middle schools in Ohio.

Please complete the form below and mail it with your gift to:
